A Great Idea

- 1 "Class, your job is to make our neighborhood a better place," said the teacher, Mr. Roberts. "You will work with another student. You have one week. Then you will tell the class what you did." Mr. Roberts usually gave the students more guidance. But this time, Mr. Roberts did not give them more directions.
- 2 Leah and Sean wanted to work together. Sean was excited. "This will be great!" he said.
- 3 Leah was not sure. "How can we change anything in one week?" she asked.
- 4 "We just have to think of a great idea," said Sean. "I know! Let's pick up the trash in the park."
- 5 "The park is too big," said Leah. "How about planting a tree?"
- 6 "One tree? You want to plant one tree?" said Sean. He could not believe what he was hearing. "That is silly. We need to do something that will be good for lots of people."
- 7 "Well," said Leah. "Picking up all the trash in the park is just too hard for two people." Leah stared at her friend. Then she smiled. "I have an idea. Let's ask two other students to work with us. Then our work will be easier."
- 8 "That is a great idea!" said Sean.
