Administration Questions for Test Administrators

Question 1: Administration Mode

This assessment can be administered in an online, paper, or hybrid mode to meet student needs.

For the majority of this administration, how did the student engage in the test form?

Online with Test Administrator Support: The Test Administrator guides interactions and supports the student's use of the online test form.

Online independently: The student interacts directly with the online test questions and materials with test administrator supervision.

Paper: The student and Test Administrator use only paper materials for testing.

Hybrid: The student and Test Administrator use both paper test materials and the online test form for support during test administration.

Question 2: Passage Access

For the majority of the reading passages (3 out of 5 passages), how did the student access the passage content? (Select one answer)

Read passage aloud to student.

Student read along.

Student read independently.

Question 3: General Feedback
